

KEEPING DISC ALIVE

Workshop Overview

- Did you know that day 1-60 after a learner leaves a training session is the most important part of training?
- Do you wonder how can you help your learners keep Everything DiSC top of mind after they leave a workshop?
- Are you interested in learning how can you help them be a stronger more consistent practitioner of Everything DiSC?

If you said yes, to any of these questions, **Keeping DiSC Alive** could be a good-fit for you!

In this session, you will:

- Analyze your current Everything DiSC reinforcement plan.
- Learn engaging activities to reinforce knowledge of the DiSC behavioral styles.
- Access www.myeverythingdisc.com and discover how it is one of the most effective tools to reinforce DiSC.
- Discover where you are not using your EPIC online administration platform to it's potential.
- Discover tools to help you keep your knowledge as an Everything DiSC facilitator fresh and relevant.
- Walk away with a more thorough reinforcement plan.

Who should attend this class? Everything DiSC facilitators, managers, supervisors, and anyone who is passionate about keeping the practice of DiSC alive in their organization.

TH!NK has been a practitioner of DiSC for 20 years and we can't wait to share with you how to make DiSC learning sticky!
