“Thank you so very much for an A.MA.ZING. certification course. I got so much out of it: deeper knowledge, lots of new ways of wording things, ideas for exercises, ways to tweak my existing training and considerations for new classes. Our cohort was an amazing group of people and I look forward to keeping in touch with them. You did a really top-notch job on delivering the information in a highly engaging, thought-provoking and FUN manner.

What a rich learning environment you created! There were SO many lightbulbs going off over the last two days and every single person left there knowledgeable and INSPIRED. DiSC is very much part of our culture and we are a stronger company because of DiSC and you both.”
